Weddings

Intimate Ceremony

2 hours of photography - \$650.

This is a cute little package for a small intimate gathering.

The timing can cover a half hour of pre-ceremony, half hour ceremony, half hour for group shots of the family (size wise around 25 guests works best with this timing) and a half hour of intimate shots of the bride and groom.

Family and Friends

3 hours of photography - \$850.

Great for more family or adding a second venue.

The timing can cover a half hour of pre-ceremony, half hour ceremony, half hour for group shots (size wise around 50 guests works best with this timing) and a half hour of intimate shots of the bride and groom, 1 hour candid photography of cake cutting, toast and location/detail photography. If adding a venue be sure to include a half hour to relocate your party. If you prefer to have the cake later but want shots of the cake cutting please let me know and we can stage this for your album.

More Family and Friends

4 hrs. of photography - \$1100.

5 hrs. of photography - \$1350.

Ceremony and Celebration

6 hour day - \$1650. ☺ 7 hour day - \$1950.

Let's celebrate!

Initially the timing can be similar but gives you more time for anything you wish; additional shots prior to the ceremony, a longer ceremony, more photographs of your family, if you have a larger family we can spend more time with the group shots, reception in a different venue, dancing, toast, cake cutting, more coverage of your location and attention paid to your special touches, and finally, more candid photography! Both of these packages will include two photographers. Myself as lead and my husband Steve shooting in a photojournalistic candid style.

- I will take roughly 100 photographs an hour
